### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of the claims is the incorporation of the ratio of polymers in the coating, as well as the percent amount of the coating into all of the generic claims. During the telephone interview with SPE Thurman Page, dated 12/16/04, applicant pointed out support for the limitation "coating comprising a blend of at least two polymers".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 1-32 are allowed.
